Jiangsu Yandian Valve Co., Ltd (refer to YDF VALVE) is a professional manufacturer of industrial valves in China. We provide the customers with uncompromising quality products, competitive price and value added service.

YDF VALVE designs and manufactures Gate, Globe, Check Ball Valves and Power Station Valves of various materials since 1978. We have two specialized manufacturing plants; one is for conventional gate, globe, check valves, and power station valves, the other is for ball valves. All products conform to international standards as API, ANSI, BS, DIN, JIS, ISO, GB, etc.

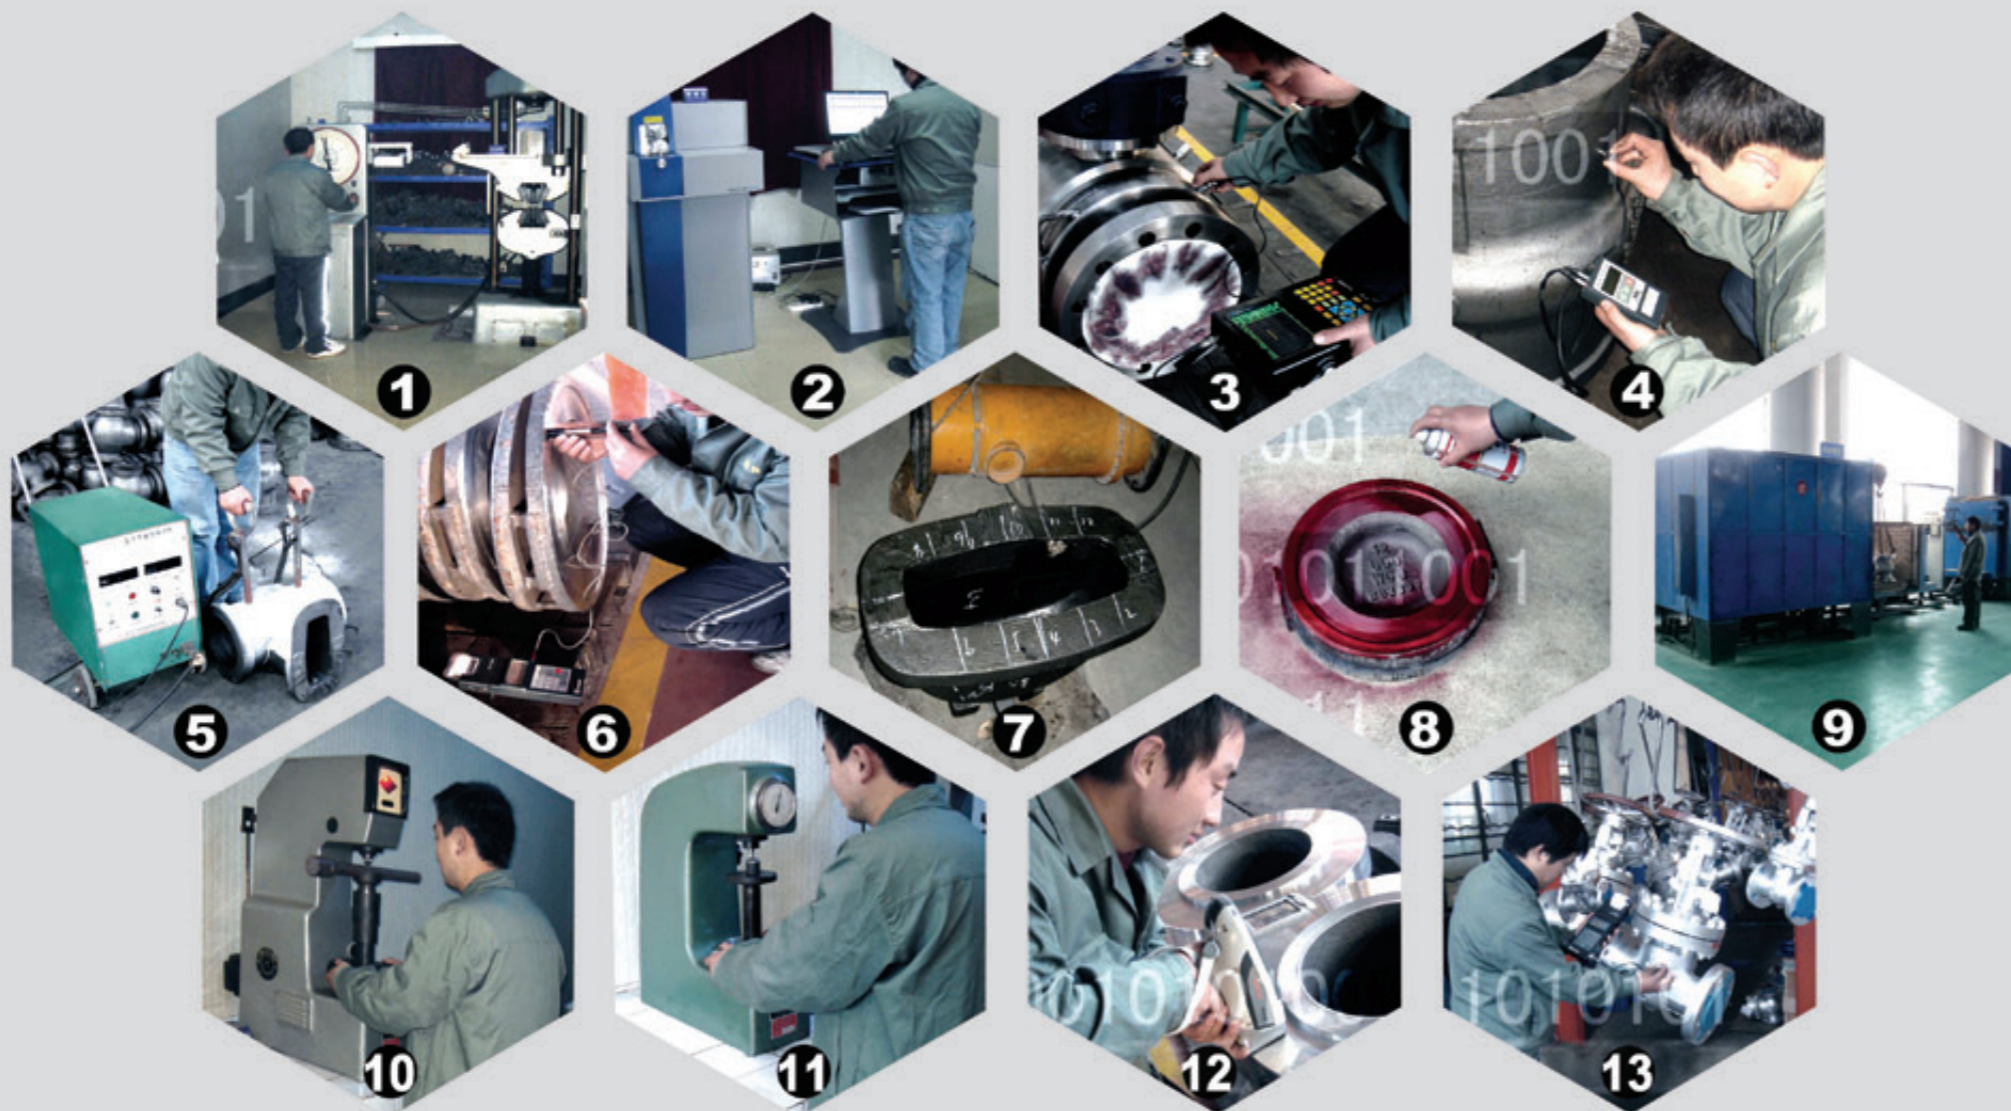

YDF VALVE is determined to be one of the largest industrial valve manufacturers in China.

YDF valves are widely used in the industries of Gas, Oil, Chemical, Refining, Marine, and Power Station.

Over 95% of YDF valves are exported to North America, Australia, Europe, Middle East, etc. YDF VALVE has its own trademark "YDF", while it also manufactures top brand valves as OEM for world leading valve companies.

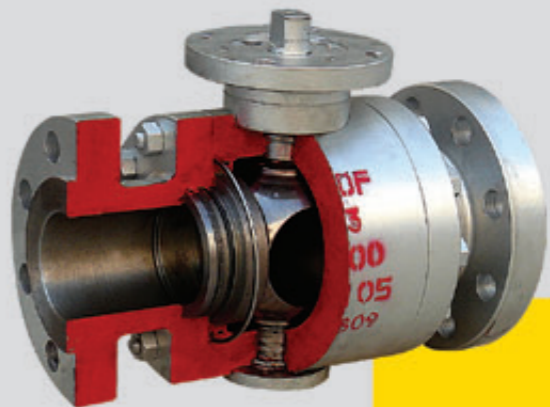

Process Equipment for Inspecting

ITEM	EQUIPMENTS NAME	TYPE
1	Property tester	WE-600A
2	Stationary metal analyzer	SPECTROMAXx
3	Ultrasonic gage for NDE	TS-2008L
4	Ultrasonic wall thickness gage	AD3235B
5	Florescent magnetic particle for NDE	CYD-5000
6	LN-Hardness gage	HLN-11A
7	005Directive X-ray unit	3005
8	GE-Dye penetrant	
9	Heat-treatment equipment	
10	Brinell hardness gage	HB-3000
11	HRC hardness gage	HR-150A
12	XRF-analyzer	XL-3
13	Coating thickness gage	CTG-10

BALL VALVES

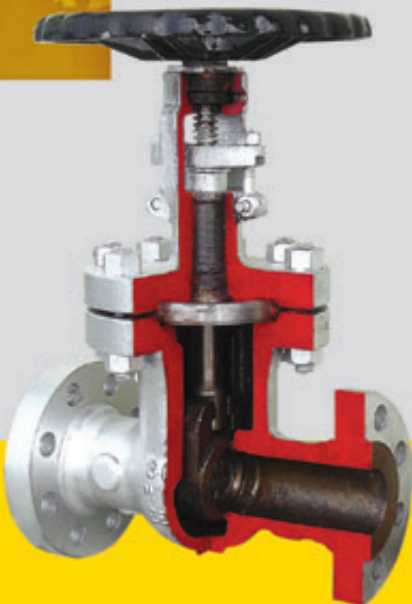

Size: $1\frac{1}{2}$ " ~ 36"
Class: ANSI 150LB ~ 2500LB

GATE VALVES

Size: 2"~48"
Class:ANSI 150LB~ 2500LB

GLOBE VALVES

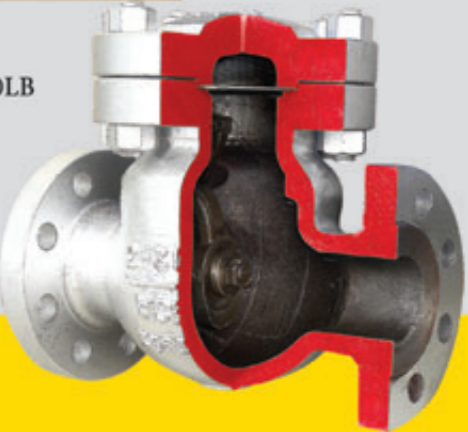

CHECK VALVES

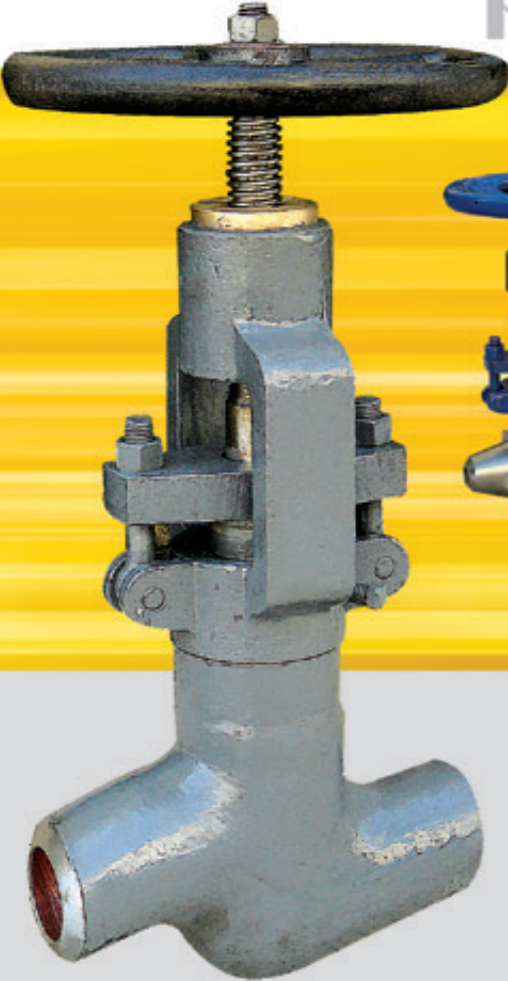

Size: 2" ~ 16"
Class:ANSI 150LB ~ 2500LB

Size: 2" ~ 32"
Class:ANSI 150LB ~ 2500LB

POWER STATION VALVES

Size: 1/4"~2"
Class:ANSI 300LB~2500LB
